**Product Name** **E7433** **Etidronate Disodium**

$C_2H_6Na_2O_7P_2$ Mol. Wt.: 249.99 [7414-83-7] [7414-83-7]

**Fire and explosion**

Flash Point: Not Known. Extingusining Media: Dry Chemical, $CO_2$, Foam, Water Spray. Special Firefighting procedures: Wear self contained breathing apparatus and protective clothing. Unusual fire hazards: may emit carbon monoxide and carbon dioxide under fire conditions.

**Health Hazard**

$LD_{50}$: Not Known.
Effects of over exposure: The chemical, physical and toxicological properties have not been thoroughly investigated.

**First Aid**

Eye contact: Flush with water 15 min and seek medical attention.
Skin contact: Wash with soap and water 15 min; wash contaminated clothing before reuse; seek medical attention if irritation occurs.
Inhalation: Move victim to fresh air and provide respriation support if necessary.

**Chemical Hazard**

Stability: Stable.
Incompatibility: Keep away from heat and strong oxidizing agents.
Hazadrous decomposition products: Emits carbon monoxide and carbon dioxide when heated to decomposition.

**Handling and Storage**

Store in a cool dry place in a tighly closed container. Keep away from strong oxidizing agents.

Wear gloves, goggles, and lab coat when handling this material. Use in well ventilated area. Wash thoroughly after handling material.

**Spillage**

Use appropriate tools to collect material and dispose of in waste container. Avoid raising dust. Ventilate the area and wash spill site after material has been removed.

**Disposal**

Dispose of material according to all federal, state, and local regulations.

**Updated** 12/26/2001
