Product: Anti Ribulose-1.5-bisphosphate Carboxylase Oxygenase large
subunit Monoclonal antibody

Catalog No. : OF-110P

Category: Mouse monoclonal antibody

Clone determination: Ru 14-8-3

This clone has been derived from fusion of P3X63-Ag8.653 myeloma mouse cells with spleen cells of mouse immunized with intact Ribulose-1.5-bisphosphate carboxylase oxygenase (Spinach)

Antigen: Ribulose-1.5-bisphosphate carboxylase oxygenase (Spinach)
This monoclonal antibody recognizes only large subunit of RuBisCO

Form: Purified IgG₁

Lot No. : PRUa2-1

Application: ELISA, Immunoblotting

Optimal concentration: Optimal concentration should be determined by the end user. The following are guidelines only.
ELISA 10ng/ml-100ng/ml
Immunoblotting 10ng/ml-100ng/ml

Storage: For continuous use, store at 0-5°C
For extended storage, solution may be frozen in working aliquots.
Repeated freezing and thawing is not recommended.
Solution contains no preservative.
