Farnesol

Product No

F0268-50ml

F0268-100ml

Description

Farnesol is a polyprenyl alcohol found in plant essential oils. Induces apoptosis in cell cultures.

Specifications

Cas No. 4602-84-0

Product ID F0268

Product Name Farnesol

Chemical Name 3,7,11-Trimethyl-2,6,10-dodecatrien-1-ol

Formula Wt. 222.37

Boiling Point 149°C

Purity $\geq 97\%$

Solubility Insoluble in water.

Store Temp Ambient
