

LKT Laboratories, Inc. (LKT) cat# P3576

Description

Like the other statins, it is an inhibitor of HMG-CoA reductase, the enzyme that catalyses the first step of cholesterol synthesis.

Specifications

Cas No.: 147526-32-7

Product ID : P3576

Product Name : Pitavastatin Calcium

Formula Wt.: 880.98

Store Temp : Ambient
