

#MA410020 1/2
MA410030
MA410070

PRODUCT INFORMATION SUMMARY

ANTI-CD41a (Integrin)

MA410020	Purified	0.1 mg
MA410030	FITC	100 tests
MA410070	Phycoerythrin	100 tests

ANTIGEN DISTRIBUTION AND SPECIFICITY:

The human CD41a antigen is the Alpha Integrin chain gpIIb/IIIa complex on platelets. This antibody binds only to intact complex gpIIb. It is also found on megakaryocytes and monocytes. Acute megakaryoblastic leukemia cells are positive for CD41a.

CLONE: ANTIGENIX AMERICA clone DD4
Immunoglobulin chain composition: Mouse IgG1

CONJUGATION:

Fluorescein isothiocyanate; R-Phycoerythrin,

HANDLING AND STORAGE:

All forms are supplied as 1.0 mL of liquid. Fluorochromes should be protected from prolonged exposure to light. Reagents will be in a medium containing 0.01M phosphate-buffered saline, pH 7.4, 0.2% gelatin and 0.1% sodium azide. These preparations should be diluted in a protein-containing or other stabilizing medium to a concentration suitable for use in specific protocols. All reagents in a liquid state should be stored at 2-8° C when not in use. Small aliquots of purified (unconjugated only) reagent may be frozen, undiluted, at -20°C. Avoid freeze-thaw cycles.

PRODUCT USE:

Use 10 uL per test to stain no more than one million cells.; For immuno-histochemistry, purified Anti-CD41a should be diluted, using enough reagent to cover the tissue section or cytoprep.

RESEARCH APPLICATIONS:

- * Studies of Alpha Integrin chain
- * Flow cytometric analysis of CD41a bearing cells.
- * Immunocytochemistry (frozen tissue), leukemia phenotyping
- * Studies of Glanzmann's thrombasthenia

CAUTION:

Reagents contain sodium azide, a preservative which may react with lead joints in copper drain lines to form explosive compounds. Even though reagents contain minute quantities of sodium azide, drains should be thoroughly flushed with water when reagents are discarded.

WARRANTY:

Products sold hereunder are warranted only to conform to the quantity and contents stated on the label at the time of delivery to the customer. There are no warranties, expressed or implied, which extend beyond the description on the label of the product.
